**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having a competition for my internet provider helps me as a consumer to have a better quality internet provider and costumer service and reasonable rates.

Before I only had my cable provider that provided me with high speed internet, and I have to say I was paying a lot more, with slower speed and horrible customer service.

Remember that we don't need big corporations monopolizing the industry and living us consumers with no choice.

Regards,
